THE 1982 YEARBOOK IS DEDICATED TO THE LEAGUE SECRETARY

This publication becomes the official 1981-82 record for individual averages of all MBA members bowling 21 or more games in a league. A bowler who participated in four leagues last season will find his name published four times with the number of games and a league code along with his league average. The service of this yearbook is priceless to the membership for the formation of new leagues and the honest conduction of tournaments. Special care has been taken to assure accuracy in processing the information submitted by your league secretary. Any errors should be brought to the attention of the MBA office.

In addition to the individual averages a wealth of MBA information in contained in the first and last sections of this book. Included are LEAGUE SECRETARY INSTRUCTIONS to assure a smoothly run league. Also included are the MBA By-Laws, Benevolent and Hall of Fame information, a listing of important future dates, and a 2 season bowling calendar.

Future yearbook publications are open to new ideas. Please submit yours to the yearbook committee also listed in this edition.

Jim Thompson, Secretary MBA

PRESIDENT'S MESSAGE

In previous President's Messages the word SERVICE has been a key. The fact that we as officers and directors have an obligation to provide the best possible service to you the bowler is recognized more strongly than ever. We will do our utmost to accomplish the lofty goals we've set.

I would also like to incorporate the word HARMONY into our projected goals. Namely, we feel a strong need for unification of bowlers, MBA Board, proprietors and media to bring the sport of bowling into its proper perspective. After all, it has the highest number of participants of any sport within our geographic boundaries and should be an organization built on harmony, integrity, and dedication to the best interests of the bowlers. Let's work together and keep competition limited to the bowlers on the lanes.

Now for a word of caution to league officers. A set of league rules along with timely collection of team dues is a must. We have conducted many suspension hearings because league officers have failed to enforce rules or have allowed arrearages to occur. The ABC Rules book specifically points out the obligations of all concerned.

It was with extreme pleasure that I accepted the gavel of office. I dedicate myself along with the rest of the board to a labor of love, promotion and guidance of the Madison Bowling Association.

Sincerely,

Gary Adler
President, MBA

Attention League Secretary and President

Your duties are outlined for you in the ABC Rules book which is enclosed in your portfolio for this bowling season. One packet is marked "For the League President Only". In addition to these duties, you have other obligations to conform with, which pertain to the MBA and to the members of the league you're honored to serve.

The league Secretary should complete the ABC sanction application on the first night of bowling and submit this, with proper fees and individual sanction applications fully completed to this office **as soon as possible.** Do not send to ABC. The combined ABC and MBA dues are this year $4.00 per man. All checks must be made payable to Madison Bowling Association — not ABC. If a bowler is sanctioned in another league he must record that league and Bowling Center on his card. If a bowler is sanctioned in another Association, he must pay MBA membership dues of $2.

Handle your funds in a businesslike manner. Set up a checking or savings account in the name of the league and arrange to have the monthly bank statement mailed to the President's home. The President is required to co-sign all checks or withdrawls on the league and must record monthly inspections of the bank statements, a requirement of the ABC bonding program.

The President shall arrange to have a prize list not later than five weeks after the start of the league schedule for the approval of the Board of Directors. (ABC Rule 117)

The league shall have a set of rules which provide for its regular activities. (ABC Rule 102) We strongly advise using the suggested league rules in the back of the ABC rule book. They are much more complete than homemade rules and easier to interpret should there be a problem.

Captains will be responsible for payment of league fees. (ABC Rule 104) Don't let anyone get behind. Adopt a rule whereby a team forfeits games if there is any arrearage. Provide for double payment the first week.

Encourage participation in the MBA BENEVOLENT FUND. For only fifty cents, a deceased bowler can express a Christmas thank you. Let's get behind this and have 100% participation.

Each one of us has a responsibility to support and encourage participation in the Association Championship Tournament. Your MBA Tournamemt is considered one of the finest. Be a leader and a backer.

FINAL AVERAGE SHEET is included in your awards kit ariving from ABC around March 1st. Please use this form to furnish the MBA

Secretary with all around individual averages, number of games and total pins. The deadline is May 15 and averages as early as April 15 may be considered as final. Record full last and first names and middle initial of bowlers, in addition a nickname may also be used but a nickname alone is almost useless except to the individual bowler personally.

The FINAL AVERAGE SHEET provides spaces for 110 records. Smaller leagues may skip every other space or provide a space between A's and B's. Subs are league members and should be included in final averages.

Rule books, year book, record books, standing sheets, average calculators, Benevolent Fund appliations and other material is included in the kit supplied league secretaries each season.

A competitive schedule must be used, to insure all teams equal conditions bowling across all scheduled lanes.

Protests concerning league play or eligibility must be filed within 15 days after occurrence. ABC Rule 32.

The official league representative should attend all MBA meetings when so notified.

NOTICE: MIXED LEAGUE SECRETARIES: All forms and monies for the men bowlers in your league should be sent to Jim Thompson, 1918 Browning Road, Madison, WI 53704. All forms and monies for the women bowlers in your league should be sent to Dee Fix, Route 1, Waunakee, WI 53597.

If I can be of assistance in the coming season, please call:

Jim Thompson — 244-5870
